

RACHEL WIXEY & ASSOCIATES
1-877-977-9499

Rachel Wixey & Associates will continue to provide substitute coverage for our certified staff members when a substitute is required.

I have included information for RWA that may be helpful to you.

Please note that you can submit absences to Aesop up to an hour before the start of your work day. After that you will need to contact Rachel Wixey & Associates (RWA) at 1-877-977-9499 to call off. They will enter the absence in to Aesop and attempt to find sub coverage for your absence. A late call does not always guarantee that a sub can be found.
