

All Call 01/07/2021

Good Afternoon Cuyahoga Falls Black Tiger Families, this is Jason Smith, High School Associate Principal, calling with a few announcements

Starting on Tuesday, January 12th, through Friday, January 15th, from 8:00 - 4:00 the building will be open for any students needing to pick up materials for their classes this semester. We ask that students pick up materials during non-instructional time. Students are asked to enter the building through the welcome center; masks are required when on school grounds, and we will continue to follow social distancing guidelines. Again, materials pick up at the high school will be from Tuesday, January 12th, through Friday, January 15th, from 8:00 - 4:00.

All seniors will be eligible to receive a flex pass for this semester. The Senior Flex Pass is a special opportunity for seniors only and allows seniors to 'flex out' of study hall; a parent/guardian signature is required for any senior wishing to receive a flex pass. Flex passes may be revoked for any senior that receives an office referral, unexcused absences, or is in danger of failing a class.

Any student that currently has a 7th period study hall scheduled for this semester has the opportunity to OPT out of that study hall. To OPT out, students are required to submit the [Study Hall OPT-OUT form](#), which will require a parent/guardian signature. The form can be found linked in the email sent with this all call, and physical copies of the form will be available in the high school welcome center. Again, the OPT out form only applies to students that have a 7th period study hall, and can also be revoked if a student receives an office referral, unexcused absences, or is in danger of failing a class.

For any student that took a College Credit Plus class during the first semester and received a book for that course, please return that book to the high school main office by Thursday, January 21st.

Finally, as the schedule for this semester now reflects a full school day, there are a couple of important changes to note. First, students should be checking into their Tiger Time Monday - Thursday; on Fridays students report directly to 1st period. Students that do not check into Tiger Time will be marked absent. The second change is for students in learning option 1; the schedule now includes lunch periods as students will be eating lunch in the cafeteria, provided that the decision to return to in-person instruction is made. Cuyahoga Falls High School is committed to providing a safe environment for our students, therefore, there are some changes to the lunch procedures while in school. A number of tables and chairs have been removed from the cafeteria in order to maximize distance between students. Students will also be required to scan a QR code at the table they choose to eat at and complete a quick attendance check each day, which can be done with their Chromebook or cell phone. Additional time has been added to each lunch for the purpose of sanitizing the cafeteria space between lunch periods. Please refer to the email included with this all call for more information regarding the [second semester schedule](#), or visit the Cuyahoga Falls High School webpage for additional information and updates.

Thank you for your time, continue to stay safe, and as always, GO BLACK TIGERS!
