EQUAL EDUCATION OPPORTUNITY
It is the policy of the Cuyahoga Falls City school District to provide an educational opportunity for all students. Any person who believes that the school or any staff member has discriminated against a student on the basis of race, color, creed, disability, religion, gender, ancestry, national origin, or place of residence within the boundaries of the District has the right to file a complaint. Complaints and/or questions should be directed to the school district's compliance officer.

ENTRANCE REQUIREMENTS (Board Policy 6.01 and 6.02)
A child is eligible for entrance into kindergarten if he/she attains the age of five (5) on or before August 1st of the year in which he/she applies for entrance. A student, at the time of his/her initial entry into the school district, shall present or have presented on his/her behalf by his/her parent(s), to the person in charge of admission:
A. A certified copy of an order or decree, or modification of such an order or decree allocating parental rights and responsibilities for the care of a child and designating a residential parent and legal custodian of that child if such an order or decree has been issued.
B. A copy of his/her certificate of birth issued pursuant to O.R.C. Chapter 3705, or a comparable certificate or certification issued pursuant to the statutes of another state, territory, possession, or nation, and copies of those records pertaining to him/her maintained by the school that he/she most recently attended.
C. A power of attorney or caretaker authorization affidavit that has been executed pertaining to a child who is a pupil in the Cuyahoga Falls City School District pursuant to O.R.C. 3109.51 to 3109.80.

Each child entering the district's kindergarten or first grade program for the first time must be properly screened for any medical or health problems as well as those related to hearing, vision, speech and communication. The cost of such screening shall be paid by the parents.

ATTENDANCE
All schools in the state of Ohio are required to meet attendance standards for the year. According to Ohio law and the Cuyahoga Falls Board of Education policy, attendance is required of all students enrolled during the day and hours that school is in session. Regular attendance and punctuality are necessary for success in school and later in life. Many interactive classroom activities take place during the school day that extend the understanding of learned material. Students who miss school frequently often do not achieve to their best potential and do not develop good work habits for careers beyond high school. Parents are encouraged to schedule their student's appointments during non-school hours. Because vacations are Unexcused Absences, parents are asked to schedule vacations during school breaks.

STUDENT ABSENCES AND EXCUSES (Board Policy 6.09)
According to Board Policy 6.09 (adopted 5/20/14), students may be excused from school for one or more of the following reasons and will be provided the opportunity to complete missed work for credit:
A. Personal illness.
B. Serious illness or death of a family member.
C. Funeral.
D. Medical and dental appointments that cannot be arranged during non-school hours.
E. Unusual or emergency situations at home.
F. Religious holidays and activities.
G. Authorized school-sponsored activities.
H. Approved college visits.
J. Quarantine.
K. Out-of-state travel, not to exceed four days per school year, for participation in an enrichment activity approved by the Board of Education or an extracurricular activity, defined as a pupil activity program operated by the district but not included in a graded course of study.
L. An absence for any reason other than those listed above shall be classified as unexcused and the student will be considered truant.

Habitual Truant (Board Policy 6.10)
According to Ohio House Bill 410, Habitual Truant refers to a child of compulsory school age who is absent from school without legitimate excuse for the following number of hours:
30 or more consecutive hours or
42 or more hours in one school month or
72 or more hours in a school year.
Truancy will be investigated and could result in required participation in remediation program(s), disciplinary action, and / or notification and referral to the proper authorities such as the Cuyahoga Falls Police Department or the Summit County Juvenile Court.

REPORTING ABSENCES FROM SCHOOL
It is the responsibility of the parent / guardian to report all absences to the office. The message should include the name of the parent / guardian reporting the student absent, the student’s first and last names, grade the student is in, and the reason for the absence. The absence will be recorded as excused or unexcused based on the reason given and the student’s teachers will be notified of the absence by the office on the day of the absence. If a student is not reported absent on the day of the absence, the parent / guardian must contact the office either by personal call or a note reporting the absence immediately upon returning to school. Phone calls and notes will be accepted three (3) days beyond the date of the absence. An absence note must bear the signature of the parent or guardian, the date(s) of the absence, and the reason for the absence. Absences not reported to the office will be recorded as unexcused.

TARDINESS
A student who is not in his/her assigned location by 8:45 a.m. shall be considered tardy. Any student arriving late to school is to report to the office before going to class. A student is considered tardy when he/she arrives between 8:45 a.m. and 10:10 a.m. Arriving after 10:10 a.m. will be considered a half-day absence. Leaving before 1:50 p.m. will be considered a half-day absence. **NOTE: Tardies will be counted toward a student’s unexcused absence hours.**

EMERGENCY MEDICAL AUTHORIZATION FORMS (Board Policy 6.40)
The Board of Education will provide to parents or guardians of all students enrolled in the district’s schools an Emergency Medical Authorization Form. In the event emergency medical treatment for a student is necessary, the district will adhere to the instructions on the authorization form. When the form is returned, it shall be kept on file and will be sent to any district to which a student is transferred.

USE OF MEDICATIONS (Board Policy 6.36)
Many students are able to attend school regularly only through effective use of medication in the treatment of disabilities or illness. Insofar as it is possible, provisions should be made for such medication to be given by the parent prior to or following the school day. When possible, parents should plan to bring and administer medication. With prior parental approval, those students old enough to understand and follow directions for taking their medication should be responsible for same under supervision. Please check with your building principal for additional information as needed regarding administration of medication to students.

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASE
The school’s professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice.

PROMOTION/PLACEMENT and RETENTION (Board Policy 7.04)
Promotion, placement, or retention of students in kindergarten through grade eight (8) will be based on the student’s academic progress, mental ability, social and emotional growth, chronological age, testing information, and teacher recommendation. These factors will be carefully weighed by the professional staff and parents. The use of “retention” is only considered a viable option in the primary grades and then only as a last resort when all other intervention strategies have failed to achieve desired results.

HOMEWORK (Board Policy 7.28)

Parents and adult students may refuse to allow the District to disclose any or all of such "directory information" upon written notification to the District within twenty (20) days after receipt of the District's notice.
