

The Summit County Opiate Task Force hopes to shine a light on **youth addiction**.

We invite you to a screening of **GENERATION FOUND** on **Tuesday, May 9th**

4pm-6pm at **Akron Summit County Public Library**, 60 South High Street, Akron, Ohio 44326

GENERATION FOUND is a powerful story about one community coming together to ignite a youth addiction recovery revolution in their hometown. Devastated by an epidemic of addiction, Houston faced the reality of burying and locking up its young people at an alarming rate. In one of the biggest cities in America, visionary counselors, law school dropouts, aspiring rock musicians, retired football players, oil industry executives, and church leaders came together to build the world's largest peer-driven youth and family recovery community. Watch the trailer [here](#).

In addition to the screening, the event will begin with a performance by [Matt Butler](#) who wrote and performs the powerful call-to-action song "[Just One](#)" from the documentary's end title credits. Matt is a rock and Americana singer/songwriter from NYC in the style of Bruce Springsteen, Tom Petty, and Ryan Adams.

In Summit County:

- *In the ADM system alone, an average of 127 youth between the ages of 14-18 received services for alcohol or other drugs over the last three years.*
- *Over 15% of Summit County's middle and high school students admitted to taking a prescription medicine that was not prescribed for them in the recent youth risk behavior survey (YRBS, 2013)*
- *Nearly 22% of middle and high school students report attending a party where parents permitted underage alcohol use (YRBS, 2013)*

Join us and be part of the dialogue to develop our community response to youth addiction and recovery.
