ISGIs include special education Individual Small Group Instructors as well as any other hourly rate bargaining unit members employed for purposes other than regular classroom teaching.

## **ARTICLE 2 – SCOPE OF BARGAINING**

The scope of negotiations shall be all matters pertaining to wages, hours, or terms and conditions of employment, and the continuation, modification, or deletion of existing provisions of the Negotiated Agreement and any other items mutually agreed upon.

## **ARTICLE 3 – NEGOTIATING PROCEDURE**

### **A. Initiating Negotiations**

1. If either of the parties desires to negotiate, it shall notify the other party in writing not more than one hundred twenty (120) days nor less than ninety (90) days prior to the expiration of the Contract. Upon receipt of a written request for the opening of negotiations, the Board or the Association shall issue a Notice to Negotiate to the State Employment Relations Board (SERB) and the other party in accordance with ORC 4117.14.
2. Within fifteen (15) working days of transmittal of said letter, the parties shall hold their first negotiation session. The first negotiation session shall be for the purpose of exchanging proposals and determining any ground rules deemed necessary.

### **B. Ground Rules**

The following ground rules shall be in effect unless modifications are agreed upon by both parties:

1. At any negotiation session, either party may be represented by no more than five (5) representatives and up to two (2) consultants.

2. Before each negotiation session adjourns, the time and place for the next session shall be mutually agreed upon by the chief negotiators. Meetings shall be in executive session.
3. Prior to and during negotiations, the parties agree to furnish, upon written request and in a reasonable time, available information as will assist the parties in the development and evaluation of proposals.
4. Either team may call a caucus at any time. Such caucuses shall be of a reasonable length.
5. As negotiation items receive tentative agreement, they shall be reduced to writing and initialed by a representative of each party. No item so initialed shall be considered final until agreement has been reached on the entire package.
6. The parties will adhere to the practice of good faith bargaining.

C. Dispute Resolution

1. If, after forty-five (45) calendar days from the first negotiation session, agreement has not been reached on all items under negotiation, either party may call for the services of the Federal Mediation and Conciliation Service (FMCS) to assist in negotiations and dispute resolution. If either party calls for FMCS involvement, the other party shall join in a joint request. The mediation process set forth herein constitutes the parties' mutually agreed upon, final and exclusive dispute settlement procedure and shall replace and supersede the settlement procedures set forth in ORC 4117.14.
2. In the event that all attempts to reach agreement through mediation have failed and the parties are unable to reach agreement within ten (10) days prior to the expiration of the existing Agreement or any extension thereof, then the Association shall have the right to proceed in accordance with Chapter 4117 of the ORC and give notice of its right to strike.

D. Agreement

When final agreement is reached through negotiations, the outcome shall be reduced to writing and submitted to the Association for ratification. Following ratification by the Association, the Agreement shall be submitted to the Board for adoption. Upon adoption by the Board, the Agreement shall be signed by both parties.

## **ARTICLE 4 – GRIEVANCE PROCEDURE**

### A. Definitions

#### 1. Grievant

A grievant shall mean the Association or employee(s) initiating the grievance.

#### 2. Grievance

A grievance is any claim by an aggrieved person that there has been a violation, misinterpretation or misapplication of the provisions of the negotiated Agreement and/or the policies of the Board of Education.

#### 3. Complaint

This grievance procedure may also be used by members of the bargaining unit to file complaints and seek solutions regarding matters or problems not defined as grievances. Such matters may include, but not be limited to, alleged departures from established practice. Complaints shall not be processed beyond Level Two unless it is determined prior to Level Two that a violation may have occurred pursuant to A(2), above.

#### 4. Representation

The aggrieved person may be represented at all stages of the grievance procedure by persons or legal counsel of his/her own choosing, except that the grievant may not be represented by a representative or an officer of any other teaching organization other than the Cuyahoga Falls Education Association and its affiliates. The Association shall have the right to have its representative present at all stages of the specified grievance procedure. The Association reserves the right to represent any member of the Association processing a grievance, regardless of the bargaining unit status of that individual, provided such representation is requested by said member.

#### 5. Protocol

There shall be no reprisal or action to coerce or censure or penalize any grievant or person(s) working in his/her behalf on a specific grievance before, during or after

filing of that grievance. This shall not preclude necessary and proper remedies specifically prescribed of the resolution of the grievance.

6. Days

The term “days” when used in this Article, means regular bargaining unit member work days (Monday-Friday).

B. General

It is the purpose of this procedure to achieve, at the lowest possible administrative level, equitable solutions to problems that arise. Both parties agree that the grievance proceedings shall be kept confidential at all levels of the procedure.

1. No bargaining unit member shall be denied the right to legal advice and/or counsel in any of the levels of the grievance procedure.
2. A grievance may be withdrawn at any level without prejudice or record.
3. Copies of all written decisions of grievances shall be sent to all parties involved: the Association President, the aggrieved, and the appropriate administrators.
4. No records, documents, or communications concerning a grievance shall be placed in the personnel file of any of the participants in this grievance procedure except those records listed in Article 8(1) if they were used in the course of the grievance. However, any records affected by the decision of the action shall be handled in accordance with such decision.
5. The aggrieved, the Association, the Board, the administrative personnel shall openly share information in possession of any of the above which contributes to the processing of a grievance. Both the Association and the grievant shall receive written notification prior to all meetings and official action concerning the grievance.
6. Conferences required by this procedure will be scheduled at such times as will cause the least disruption to the operation of the schools. In the event a meeting must be held during school hours, those persons whose presence is necessary will be released without loss of pay.
7. A grievance applicable to more than one (1) bargaining unit member or more than one (1) building concurrently may be submitted in writing by the Association directly to the Superintendent and the processing of such a grievance may begin at Level Two. The Association, in such a circumstance, may elect to process such a grievance through all levels even though the aggrieved persons do not wish to do so.

8. Failure to render a decision at any step within the specified times shall permit the aggrieved to proceed to the next step. Failure at any step to appeal the grievance within the specified time shall not signify acceptance or rejection of the previously-rendered decision. Failure to accept or reject a decision within ten (10) days after receipt of a decision at any level shall indicate that the grievance has been withdrawn.
9. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, all parties shall use their best efforts to process such grievance prior to the end of the school term.

C. Informal Procedure

Within twenty (20) days of the time a bargaining unit member knows, or reasonably should have known a grievance exists, he/she should first discuss the problem with the person or persons directly involved (Department Chairperson, Principal, Building Representative). The grievant may be accompanied or represented by designated representatives of the Association before the Principal or the aggrieved's Immediate Administrators. The objective of both parties should be to resolve the matter as soon as possible in an informal manner. If the grievance is not settled in this manner within five (5) days, the aggrieved person should follow the formal grievance procedures.

D. Formal Procedures

In the event the aggrieved person is not satisfied with the results of the informal procedures and within twenty (20) days of the time the grievant knew, or should have known, that a grievance exists, the aggrieved person shall file a formal grievance on the form Appendix I in triplicate: one (1) for the grievant, one (1) for the Principal, one (1) for the Association President or the grievance will be considered waived unless it is a continuing grievance.

  - (2) Confer with the Principal with the assistance of other Building Representatives and/or Association representatives.

The person striking first shall be determined by the single toss of a coin. The arbitrator shall hold a hearing and may request such additional data as may be required in arriving at recommendations. Information originally submitted to the arbitrator or presented at a hearing shall be confined to the information and positions related in the lower levels of the grievance proceedings relative to the parties concerned. The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this Agreement.
- c. The decision of the arbitrator shall be final and binding. The decision shall be issued as soon as possible but in no event more than thirty (30) days following the date determined by the arbitrator to be the close of the hearing. The cost of the arbitrator's services shall be shared equally by the Board and the Association.
- d. In accordance with Article 8, Paragraphs E and F, the termination or non-renewal of contracts may only be appealed pursuant to the procedures provided in the applicable provisions of the Ohio Revised Code.

E. Redress

Nothing in the procedure shall be construed so as to deny the grievant, the Association or its representatives, or the Board or its representatives the right to redress before an appropriate administrative agency or through the courts, if such a course seems to them at their sole discretion more appropriate after the grievance procedure has been fully exhausted.

3. No leave or combination of leaves of absence shall extend beyond six (6) consecutive semesters (excluding summer terms) unless, in the opinion of the administering officer, unusual circumstances warrant approval. No single type of leave may extend beyond four (4) consecutive semesters except as provided by the Ohio Revised Code.
4. Upon returning from a leave of absence, an individual will not be eligible for additional leaves of absence until he/she has worked for four (4) consecutive semesters (excluding summer terms) unless, in the opinion of the Superintendent or designee, unusual circumstances warrant approval.
5. An individual on leave of absence has the obligation of notifying the Superintendent or designee, in writing, of his/her intention to return to active service or to apply for an extension of the leave by March 1 of each year. If the leave expires at the end of the first semester, these written intentions shall be communicated by December 1.
6. Unpaid leaves of absence shall not be granted to employees to accompany family members on job transfers or to accept employment outside the school system.
  - a. The Superintendent shall have the right to make exceptions to these conditions.
  - b. These conditions shall not preclude the right to other applicable forms of leave or conditions of those leaves found elsewhere in this Article.

### **B. Sick Leave**

1. The Board will provide the accumulation of Sick Leave at the rate of fifteen (15) days per year with 1.25 days credited for every month of the year the bargaining unit member/tutor is under contract, except an employee on an unpaid leave shall

6. The Board will advance ten (10) days Sick Leave to new employees who have not yet earned Sick Leave, and five (5) days annually to employees who have exhausted all the leave they have earned and submit to the Director of Human Resources a written notice of need for advancement. Sick Leave days which are advanced but which the employee subsequently fails to earn will be deducted from the employee's earned Sick Leave during the following school year. If the employee fails to return the following year, the employee must repay the Board for all advanced Sick Leave days which were not earned. Employees are required to be in authorized leave status or on an approved deduct day for all dates they are absent from the work place.
7. For childbirth or adopting an infant or child, Sick Leave may be used for a period up to twelve (12) weeks during the employee's first twelve (12) weeks following the birth or adoption. Use of additional Sick Leave beyond the twelve (12) week period shall occur under the usual Sick Leave criteria.
8. Falsification of a Sick Leave Statement is grounds for suspension or termination of employment under ORC Section 3319.16.

9. Sick Leave Donation

If a member of the bargaining unit is currently absent due to the serious or long-term illness or accident of the bargaining unit member, spouse, or minor child, and such member has exhausted all of his/her accumulated sick leave, bargaining unit members may donate up to ten (10) days of accumulated Sick Leave to the absent employee.
  1. Bargaining unit members whose sick leave has been depleted by intermittent use not associated with a serious illness shall not qualify for this benefit.
  2. Serious or long term illness is not intended to include normal maternity leave and/or absence due to childbirth. Bargaining unit members seeking donation of sick leave for complications due to pregnancy and/or childbirth must provide, if requested, detailed medical information in support of any sick leave donation request.
  3. Recuperation from elective surgeries or other elective procedures which could have otherwise reasonably been scheduled during school vacation periods will not qualify for sick leave donation.
  4. The initial determination of whether or not an illness or injury meets the requirements of this section will be made by the Superintendent or designee, such determination shall not be arbitrary or capricious.

  - a. A bargaining unit member may elect to go on Long-Term Parental Leave Without Pay at the time he/she withdraws from active service following the birth of a child or in circumstances where there are serious health problems of a bargaining unit member's child. This leave would be for the duration of that current school year, or for one (1) school year if the withdrawal from active service is during the summer break, and after use of Sick Leave and/or FMLA, if so chosen. Upon written request by March 15, Long-Term Parental Leave may be extended for one (1) additional school year.
  - b. Individuals on Long-Term Parental Leave may continue Hospitalization in accordance with COBRA, and for a period of twelve (12) months may continue Term Life Insurance coverage available through the Board by reimbursing the Board for total premium costs. Failure to forward total premium payments to the Board prior to the first day of each month of coverage will terminate this option.
  - c. Requests for reinstatement from Long-Term Parental Leave shall be directed to the Director of Human Resources' Office no later than March 15 of the preceding school year. The bargaining unit member may not return at any time other than the beginning of a new school year unless otherwise approved by the Superintendent.
  - d. Upon return from the Parental Leave, the bargaining unit member will be assigned to a position for which she is certificated/licensed unless she is involved in a Reduction in Force, in which case reduction in force shall apply. Any bargaining unit member returning from Parental Leave shall not be advanced on the Salary Schedule for the period of absence, nor shall any Sick Leave accrue during this time.

D. Personal Leave

1. Personal Leave is designed to permit staff members to be absent from duties to take care of personal matters that cannot be handled in any other way or at times other than during normal school hours. Its use, therefore, is to be requested after the employee has given careful thought to the urgency of the reason.
2. Except in unusual circumstances and with prior approval of the Superintendent or designee, Personal Leave may not be used:

  5. The following conditions govern the use of Personal Leave:
    - a. Personal Leave shall not exceed three (3) days in any service year.
    - b. Absence on approved Personal Leave shall not be charged against Sick Leave.
    - c. If personal leave is taken during the last two weeks of school or on a Monday or Friday in May, the employee shall state the reason for the leave.
  6. Emergency Personal Leave shall be reported in accordance with the same procedures used for Sick Leave. The reason for the emergency shall be reported to the Director of Human Resources as soon as possible.
  7. Personal Leave Procedures
    - a. Certificated personnel requesting Personal Leave shall use the approved method, except in cases of an emergency, in which case it shall be reported as soon as possible.
    - b. Except as otherwise required above, staff members are not required to state a reason for the use of such leave. Staff members certify that the use of Personal Leave was not for a prohibited purpose through the electronic reporting system. 1. Assault Leave is provided to cover those situations where a staff member has been injured as a result of an assault which occurs in the course of supporting the rules and regulations of the school and in maintaining good order and discipline. Assault shall be defined as injury inflicted upon an employee. The physical and emotional well-being of the employee shall be of primary concern, and appropriate measures shall be taken to aid those injured.
2. Assault leave shall be granted in the event that an employee is absent due to an injury which occurs in the course of Board employment.
3. A request for Assault Leave shall be in writing, setting forth the circumstances of the assault, the nature of the disability, and an estimated date of return to service.

To be entitled to Assault Leave pay, the employee must file charges against the person(s) perpetrating the assault and assist with the prosecution and/or discipline of the individual. This requirement can be waived at the discretion of the Superintendent in special circumstances only, such as where an assault is perpetrated by a special needs student and/or where other legitimate mitigating factors exist, but nothing herein shall be deemed to prevent an employee from filing charges.

4. Assault Leave granted under this policy shall not be charged against Sick Leave or leave granted under other leave policies adopted by the Board.
5. A person on Assault Leave shall receive full pay and benefits during the period of the Assault Leave. Such payments shall terminate upon medical determination of fitness to resume duties.

7. Nothing in this policy prohibits the staff member from electing to use Sick Leave for the disability period or upon completion of the Assault Leave if the disability is not corrected at that time but is considered to be of a temporary nature.

G. Absence of Employees Due to Court Appearance

1. Any employee who is summoned for jury duty or who is appearing before a court or an agency as a witness as a result of employment with the Board shall suffer no

However, full time bargaining unit members who worked a full year prior to requesting are presumed eligible. If the law changes during the life of this Agreement, the parties agree to meet and discuss the implementation of such changes.
2. The District shall notify an employee of his/her rights under FMLA as soon as the District becomes aware that an employee qualifies. FMLA will be designated by the District pursuant to FMLA regulations except as modified below. The FMLA shall not adversely affect the leave provisions of this Agreement.
3. For purposes of this section, “12-month period” is defined as “the 12-month period measured forward from the date the employee’s first FMLA leave begins” (i.e., The leave year is specified to each employee). 2. The Superintendent initiates this Procedure by giving the employee a Notice Letter stating that the Superintendent is initiating the Procedure because of either a physical or mental condition, or both, and offers the employee the option of:
  - a. Pursuing a Disability Retirement; or
  - b. Submitting to a medical examination for a determination of whether the employee is able to perform his/her duties.
3. The employee will respond to the Superintendent within fourteen (14) calendar days of the date of the Superintendent's Notice Letter, stating which option the employee has selected and providing any other information required by this Procedure.
4. If the employee intends to pursue a Disability Retirement, the employee shall send a request for a Leave of Absence (which will be treated as a request for a Voluntary Leave of Absence pursuant to ORC Section 3319.13) to the Superintendent along with the employee's response to the Superintendent's Notice Letter.
  - a. The Superintendent will present the employee's request for a Voluntary Leave of Absence to the Board for approval.
  - b. The employee will submit an application for Disability Retirement with the State Bargaining unit members Retirement System Board (STRS) and may use Sick Leave pending the decision on eligibility, as determined administratively by STRS personnel.
  - c. In lieu of requesting a Voluntary Leave of Absence, the employee may resign from his/her position.
5. If the employee chooses the option of a medical examination:
  - a. The employee shall submit to one (1) of the following medical examinations for a recommendation of whether the employee is able to resume his/her duties:
    - (1) By an impartial physician designated by the Employer and compensated by the Employer; or
    - (2) Both an impartial physician selected and compensated by the Employer and a physician selected and compensated by the employee. If these physicians disagree, they shall, in good faith, choose a third impartial physician who shall examine the employee. The expenses of the third examination shall be paid equally by the parties.

- (a) The name and business address of the physician selected by the employee shall be given in the employee's response to the Superintendent's Notice Letter.
    - (b) If the employee fails to provide the above information selected, the employee will be examined only by a physician selected by the Board.
  - b. The physician(s) will be requested to perform an evaluation to determine whether the employee is physically or mentally fit, as such may be the case, to resume his/her duties.
  - c. The employee shall furnish to the physician(s) medical records of prior diagnosis and treatment for physical or mental conditions, as may be applicable, for the physician(s) to use in the evaluation.
  - d. Either the Board or employee may submit information to the physician(s) regarding the employee which is pertinent to the medical examination. A copy of any information submitted to the physician(s) shall be given to the other party.
  - e. The physician(s) may use their own professional discretion in determining the extent of the evaluation which is necessary to render their professional opinion.
  - f. The physician(s) shall be requested to issue a written report to the Board and employee certifying whether the employee is able to resume his/her duties.
  - g. All physicians selected shall be licensed in the State of Ohio.
6. If the employee is found to be fit to perform assigned duties, the Employer shall pay the medical costs incurred by the Employee in the process.
7. If, as a result of such examination, the employee is found to be unfit to perform assigned duties, the employee shall be placed on an Un-requested Unpaid Leave of Absence until:
- a. If evaluated initially by the physician selected by the Board, the employee obtains documentation from the physician certifying that the employee is able to resume his/her assigned duties; or
  - b. If evaluated initially by either two (2) or three (3) physicians selected by both the Board and the employee, the employee obtains documentation from two (2) of three (3) physicians certifying the employee is able to resume his/her assigned duties.

8. If an employee is placed on an Un-requested Unpaid Leave of Absence, the employee may request statutory due process in accordance with Ohio law.
9. Upon initiation of the Procedure by the Superintendent, the employee may be assigned by the Superintendent from his/her regular assigned duties. In case of such assignment, the employee will continue to receive his/her regular pay until he/she is placed on an Unpaid Leave of Absence. If the employee selects the option of pursuing a Disability Retirement, and requests a Voluntary Leave of Absence, the employee will continue to receive his/her regular pay until the request for a Voluntary Leave of Absence is approved by the Board.
10. Refusal by an employee to follow this Procedure, including failure to respond to the Superintendent's Notice Letter, failure to select an option as required by the Superintendent's Notice Letter, or the failure to submit to an examination by physician(s), may result in further action by the Board including the institution of proceedings for termination of contract.

The purpose of the improvement plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support. The bargaining unit member may request representation at all conferences regarding the improvement plan.

The evaluator will meet with and provide a copy of this evaluation form to the bargaining unit member. If the final report indicates the bargaining unit member meets the criteria for the bargaining unit member performance indicators for satisfactory performance as outlined in the improvement plan, the evaluator of record will recommend that the bargaining unit member be returned to a non-improvement plan status.
- (8) In implementing such evaluation system and procedures, the district shall conduct all evaluations so as to observe the legal and constitutional rights of licensed personnel, and no evaluation information shall be collected by electronic devices without the consent of the licensed personnel.

All appropriate authorization data must be filed with the Board Treasurer two (2) weeks prior to the first payroll in October of each year. In the case of resignation or retirement, the remaining dues money will be subtracted from the final paycheck unless a request is made by the staff member in writing not to do so.
2. The Board Treasurer shall send a bi-monthly written printout to the Association Treasurer indicating members having Association payroll deductions.
3. The Board agrees to honor continuous dues deduction authorizations executed in accordance with this Article. Such authorization may be revoked only in writing, with such revocation received by the office of the Treasurer during the period of September 1 through September 15 each year. If a member should elect to discontinue payroll deductions for membership dues, the Board Treasurer will notify the Association President of this action.
4. If a member should elect to discontinue payroll deductions for membership dues, the Board Treasurer will notify the Association President of this action.
5. In cases where individuals elect to become members after the initial payroll deduction for dues, their dues will be deducted in equal bi-monthly payments beginning with the first eligible payroll deduction and ending with the second deduction during the month of July.
6. The Board Treasurer will deduct from Association members' paychecks, when authorized by the member, an amount equal to the total contributions listed in the authorization in equal bi-monthly payments as applies to payroll deduction for Fund for Children and Public Education (FCPE) contribution.

**ARTICLE 11 – REDUCTION IN FORCE**

- A. If the Board suspends teaching contracts pursuant to ORC Section 3319.17 or for substantiated financial reasons, seniority shall be determined by length of continuous service in the Cuyahoga Falls City School District. Continuous service shall not be broken by authorized leaves of absence, but will be broken by a resignation or any other termination (excluding suspensions) of employment. In the event two (2) or more employees have the same length of continuous service, preference will be given:
1. To the bargaining unit member first hired by official action of the Board.

2. If not resolved under Subsection 1, above, to the bargaining unit member who first applied for a certificated position in the Cuyahoga Falls City School District for which the bargaining unit member was hired (excluding substitute teaching), which is verified by the date stamp on the application.
  3. If not resolved under Subsection 1 or 2, above, to the bargaining unit member who has the greater service in the system, regardless of continuity.
  4. If not resolved under Subsection 1, 2, 3, or 4, above, to the bargaining unit member who prevails in a determination by pulling names out of a hat in the presence of the bargaining unit members, the superintendent or designee and CFEA president.
- B. Evaluations for any bargaining unit members who are applying for a continuing contract must be completed not later than April 1<sup>st</sup>.
- C. In the first week of February, the Administration will make available in each school building a seniority list, a copy to be provided to the CFEA President, of certificated staff members with continuing contracts, limited contracts, continuing ISGI teaching contracts, and limited ISGI teaching contracts. The seniority list will identify years of service, the date the bargaining unit member was hired by official action of the Board, certification(s) currently on file, current assignment, and system-wide seniority.
- D. Within ten (10) calendar days of the posting date of the seniority list, any corrections to the seniority list by staff members will be given to the Superintendent or designee, and a copy of the same will be provided to the CFEA President. A final corrected seniority list will be made available during the last week of February. Thereafter, bargaining unit members shall be eligible for retention in a RIF only in those teaching areas for which the bargaining unit member has filed a valid teaching certificate with the Personnel Office.
- E. Evaluation ratings for the year of reduction in force must be received prior to any reduction. At least forty-five (45) days prior to the Board action suspending teaching contracts implementing a RIF, the Board agrees to notify the CFEA President in writing of its intention to implement a RIF. Subsequent to this notification, the Board and the Association shall meet to discuss the anticipated reduction. Subsequent to this initial meeting, and after the employees affected by the reduction have been identified, such employees shall be notified of the anticipated suspension of their teaching contracts. This notification shall occur at least seven (7) days prior to Board action suspending contracts. No contracts shall be suspended under this provision after the last Board meeting in July.
- F. Bargaining unit members whose contracts are suspended shall forthwith be placed on a recall list, a copy of which shall be given to the CFEA President. No new bargaining unit members shall be employed by the Board while there are bargaining unit members on the recall list who are certificated for the particular position the Board intends to fill.

- G. A bargaining unit member whose name appears on the recall list shall be offered reemployment when a position becomes available for which he/she is certificated. Appropriately certificated bargaining unit members shall be returned to active employment in order of system-wide seniority by rating, except that in all cases, continuing contract bargaining unit members, if any, shall have a preference over limited contract bargaining unit member. The following procedures shall apply:
1. The Board shall recall the bargaining unit member to active employment by giving written notice by registered or certified mail to the bargaining unit member. It shall be the responsibility of each bargaining unit member to notify the Board of any change in address. The bargaining unit member's address, as it appears on the Board's records, shall be conclusive when used in connection with an offer of reemployment.
  2. If a bargaining unit member does not accept reemployment in writing, postmarked within fifteen (15) calendar days from the date said notice was delivered unless an extension is granted in writing by the Superintendent, said bargaining unit member shall be considered to have rejected the recall and shall be permanently removed from the recall list.
  3. Bargaining unit members refusing recall in an area for which they hold certification shall be removed from the recall list except as provided below.
    - a. All Art, Music, and HPE specialists must hold the proper special certificate.
    - b. Bargaining unit members may refuse a recall in an area in which they are licensed if they have never taught in that area or not taught in that area for five (5) years or longer.
  4. Each limited contract bargaining unit member shall remain on the recall list for twenty-seven (27) months from the bargaining unit member's last day of active service, unless the bargaining unit member fails to accept recall or waives his/her recall rights in writing.
  5. Each continuing contract bargaining unit member shall remain on the recall list for sixty-three (63) months from the bargaining unit member's last day of active service, unless the bargaining unit member fails to accept recall or waives his/her recall rights in writing.
  6. A bargaining unit member who is recalled shall be credited with the Sick Leave accumulation and years of service for salary schedule placement that the bargaining unit member had at the time of contract suspension, plus any additional Sick Leave or service earned in the interim by teaching in any other Ohio district.
  7. Bargaining unit members on the recall list shall be removed from the list upon employment under a regular teaching contract in any other school district.

- H. ISGIs whose contracts have been suspended due to a RIF shall be placed on a recall list for ISGIs only, and the current negotiated RIF procedures shall be applied to ISGIs as a separate and distinct group (i.e., ISGIs who appear on a recall list shall not have the right to displace regular bargaining unit members nor shall they have the right to be recalled to a teaching position for which they are certified). With this exception, this RIF procedure shall apply to ISGIs.
- I. However, all ISGIs on the recall list shall be notified of teaching vacancies, including vacancies which occur during summer months when school is not in session, for which they have a valid teaching certificate on file. Those on the recall list who apply for said vacancies shall be granted an interview for the vacant position.
- J. No preference for seniority shall be given upon layoff or recall, except when making a decision between bargaining unit members who have comparable evaluations. Further, the parties agree that to the extent allowed by law the procedures in Article 11 are intended to supersede any conflicting provisions of O.R.C. §3319.17 and related statutes.
- K. Comparable Bargaining unit members Defined
1. The definition of comparable evaluations shall be as follows:
    - a. The rating scale for comparable evaluations shall be determined by a numerical scale based upon a three (3) year weighted average.
    - b. Points for each evaluation rating shall be awarded based upon the following scale:
      - 1) Accomplished = 4 points
      - 2) Skilled = 3 points
      - 3) Developing = 2 points
      - 4) Ineffective = 0 points
    - c. The sum of the ratings over three (3) years shall be applied to the following scale to determine comparable evaluations:  
  
A = 9-12 points  
  
B = 6-8 points  
  
C = 0-5 points

Example: Where a bargaining unit member is rated Accomplished for two (2) years and Proficient for one (1) year, the categories to which the bargaining unit member would be assigned for comparable evaluations would be computed as follows:

$$\begin{aligned} \text{Accomplished (4) + Accomplished (4) + Skilled (3)} &= \\ 4 + 4 + 3 &= 11 \end{aligned}$$

Thus, this bargaining unit member would be assigned to category A for determining comparable evaluations.

- d. Where only one (1) evaluation is available, the category would be determined by multiplying the bargaining unit member numerical rating by three (3).

Example: A bargaining unit member rated Skilled would be assigned to a category as follows:

$$\text{Skilled (3) x 3 = 9}$$

Thus, this bargaining unit member would be assigned to category A for determining comparable evaluations.

- e. Where only two (2) evaluations are available, the ratings for both years would be added, and the result would be multiplied by the number 1.5 to determine the comparable category.

Example: A bargaining unit member with two (2) years of evaluations with both evaluation ratings as “Developing.” The comparable category for this bargaining unit member would be computed as follows:

$$\begin{aligned} \text{Developing (2) + Developing (2)} &= 4 \\ 4 \times 1.5 &= 6 \end{aligned}$$

Thus, this bargaining unit member would be assigned to comparable category B.

- f. Only ratings from the years as a bargaining unit member shall be counted in the overall rating for purposes of RIF. If there are fewer than three (3) years, the procedure above shall be followed.

If an employee does not have an evaluation rating in one or more years due to being in an “off-year” cycle as a result of scoring either “Skilled” or “Accomplished,” the employee’s score from the previous year that put

him/her into an off-year cycle shall be used – doubled or tripled – to determine the overall rating.
