- D. Membership of employees in the Union shall not be required as a condition of employment, re-employment, or promotion in the Cuyahoga Falls City School District.
- E. Nothing stated or implied in this Agreement shall abridge the right of an individual employee to discuss with the Superintendent, other administrative staff members, or the Board, matters relating to contract, salary or other items of employment of the individual employee, provided however, that such discussions do not infringe upon negotiating procedures agreed upon by the Board and the Union.
- F. Definition of Status of Employees
1. Status I

Status I employees shall be defined as all regular bargaining unit member employees who are appointed on an annual or regular basis and who perform

six (6) or more hours of service daily, exclusive of overtime or additional hours required on a special or temporary basis.

2. Status II

Status II employees shall be defined as all regular bargaining unit member employees who are appointed on an annual or regular basis and who perform less than six (6), but three (3) hours or more of service daily, exclusive of overtime or additional hours required on a special or temporary basis.

3. Status III

H. If the Board establishes a new job classification which has a community of interest with other classifications in the bargaining unit, then the job shall be included in the bargaining unit. Should there be any question concerning placement of the new position or classification in the bargaining unit, or its possible exclusion, the Union and the Board shall meet to discuss same at the Union's request. The Union shall receive advance written notification if a position's job title, hours, or pay range is modified.

ARTICLE 2 – SCOPE OF NEGOTIATIONS

Both parties agree to negotiate matters pertaining to salaries, hours and working conditions.

ARTICLE 3 – NEGOTIATING PROCEDURE

A. Negotiating Procedure

Either the Union or the Board may initiate negotiations by letter of submission forwarded to the other party at any time during the twelve (12) month period prior to the expiration of the Agreement. Unless the parties agree to use the FMCS IBB process, the first negotiations session shall be for the purpose of exchanging proposals and determining any ground rules deemed necessary. At any negotiation session, either party may be represented by no more than five (5) representatives, exclusive of the Union's field representative or the attorney for the Board.

B. Dispute Settlement Procedure

1. If after forty-five (45) calendar days prior to the expiration of the Agreement, agreement has not been reached on all items under negotiations, either party may call for the services of the Federal Mediation and Conciliation Service (FMCS) to assist in negotiations. If a party calls for FMCS involvement, the other party shall join in a joint request. This is the exclusive mutually agreed upon dispute settlement procedure in accordance with O.R.C. §4117.14(D)(2)(e) and shall replace and supersede the settlement procedures set forth in O.R.C. 4117.14.
2. The period of mediation will extend for at least ten (10) calendar days beyond the initial mediation session.

C. Agreement

1. Within twenty (20) working days of reaching tentative agreement, the Board shall produce a final draft outlining the new/changed additions/deletions. All new changed language will be in bold print, any deletions shall be lined out. However, both parties will be ratifying the signed tentative agreement documents which shall become the final agreement.
2. Within thirty (30) days of the parties ratifying the Agreement, the Board shall print the final draft of the Agreement including a table of contents, all appendices, and a signature page which shall be proofread by both parties.
3. A copy shall be provided to all bargaining unit members, with twenty-five (25) additional copies provided for the Local Union. The cost of printing shall be shared equally by the parties.

ARTICLE 4 – GRIEVANCE PROCEDURE

Should misunderstandings arise as to the application of the provisions of this Agreement, the Board and Union subscribe to the principle that such misunderstandings should be resolved at the lowest possible level and as quickly as possible. In more difficult or complex matters, it is desirable to have a procedure which provides for an orderly, fair resolution of the problem. To this end, both parties to this Agreement establish and endorse the following definitions and procedures:

A. Definitions

1. “Grievance” means a claim that this Agreement has been violated, misinterpreted, or misapplied. Matters not arising under this Agreement shall not be subject to the grievance procedure.
2. “Grievant” means any person or group of persons filing a grievance.

3. Time limits may be extended only by written mutual agreement. Failure to file a grievance or appeal a grievance to the next step of the procedure within the applicable time limit shall result in a waiver of the grievance. Failure to respond to a grievance within the applicable time limit shall result in the automatic advancement of the grievance to the next level of the procedure.

B. Step I – Informal conference with immediate administrator regarding problem.

1. An employee seeking to initiate a grievance or resolve a misunderstanding shall within fifteen (15) working days of the time the grievant knew or should have known of the occurrence which constitutes the basis of a grievance or misunderstanding, inform his/her immediate administrator in writing to schedule a conference to informally discuss the misunderstanding or basis for the grievance and the adjustment one seeks. Building principals may be involved in conferences where the problems being discussed affect or are likely to affect the building operation.
2. A conference to discuss the problems will be conducted within five (5) working days after request of the conference by the employee.
3. The administrator will give a decision to the employee within five (5) working days after the conference.
4. The decision may be appealed within five (5) working days after the receipt of the administrator's decision.
5. All misunderstandings or grievances must be initiated on Step I before such misunderstandings or grievances may proceed to Step II or beyond.

C. Step II – Review by the Director of Human Resources.

1. If the grievant is dissatisfied with Step I, the grievant shall submit a completed Grievance Report Form (Appendix A) to the Superintendent or designee.
2. A conference will be scheduled within five (5) working days after receipt of the written appeal.
3. A conference will be held with the employee and other interested parties at which time all parties may present information relative to the problem under study. The employee may invite a Union representative to help prepare and present information at this hearing. Several conferences may be necessary to review all information and circumstances.

4. A written decision and an explanation of the reasons for the decision will be forwarded from the Superintendent or designee to the employee within five (5) working days of the last conference.
5. An appeal of the Step II decision may be made in writing within five (5) working days after receipt of the decision and forward all copies of all pertinent documentation to the Superintendent or designee.

D. Step III – Review by the Superintendent or designee.

1. Upon receipt of an appeal in writing of the decision of the Superintendent or designee, the Superintendent or designee will confer with the parties involved.
2. The decision will be communicated in writing to the employee and other administrators involved in the proceedings within ten (10) working days after receipt of the appeal.
3. An appeal of the Superintendent's or designee's decision may be made within five (5) days of the receipt of the decision.

E. Step IV – Mediation.

1. The Union may, within fifteen (15) work days after receipt of the Step III response, notify the Superintendent or his/her designee, of the intent to submit the grievance to arbitration, or by mutual agreement of the parties, submit the grievance to arbitration. Submission of an issue to grievance mediation shall toll the timelines for arbitration. The parties will attempt to identify joint stipulations of facts and issues for submission to mediation.
2. No reprisals of any kind shall be taken by the Board or any member of the Administration against any party filing a grievance or any member of a grievance committee.
3. Nothing contained in these procedures shall be construed as limiting the individual right of the employee having a complaint or problem to discuss the matter informally with members of the administration through normal channels for communication.
4. Either the Union President, Vice President or Grievance Chairperson shall be allowed to attend administrative-initiated grievance hearings during working hours without loss of pay. Furthermore, the aggrieved employee, his/her representative, and any necessary witness shall not lose any regular straight time pay for any time off the job while attending any grievance hearing.

5. Grievance mediation procedures shall be as follows:
- a. The parties shall mutually agree to utilize the service of FMCS to mediate.
 - b. The mediator shall schedule a meeting within five (5) work days of the receipt of a referral. The mediator shall utilize any procedures acceptable to the parties to attempt to reach a resolution of the grievance.
 - c. If requested, the mediator, at the conclusion of the mediation meeting, shall issue an oral opinion of the resolution of the grievance which if acceptable, may be memorialized by the parties.
 - d. If the grievance remains unresolved following mediation, the Board, the President, or designee, will notify the other party within five (5) work days and may immediately submit the grievance for arbitration under the steps provided in this section.
 - e. The comments and opinions of the mediator, and any settlement offer put forth by either party, shall not be admissible in any subsequent arbitration of the grievance, nor be introduced in any future grievance proceedings.
 - f. Costs for mediation shall be shared equally by the Union and the Board.

F. Step V – Arbitration.

1. Within ten (10) working days following the receipt of the written decision from the Superintendent, the grievant may request the issue be submitted to arbitration by submitting a written request to the President of the Local Union and the Superintendent. The President and the Superintendent shall, within five (5) working days, jointly request the services of the Federal Mediation and Conciliation Services for a list of seven (7) arbitrators. The arbitrator may be selected by common agreement from the list or by the striking process with the final remaining name being the arbitrator. The person striking first shall be determined by a coin toss.
2. The arbitrator shall make a written report and advisory recommendations in triplicate to the aggrieved, the Superintendent, and the President of the Local Union. The report and recommendations shall be issued as soon as possible but in no event more than fourteen (14) days after the initial hearing. The arbitrator shall be required to determine a losing party. The cost of the arbitrator's services shall be borne by the losing party.

- G. The Union shall have an opportunity to be present at a grievance hearing when the grievant has no representation. Any settlement of a grievance shall not be contrary to the terms of this Agreement.

- H. Employees desiring representation may only be represented by the Union at all levels of the grievance procedure. The Union agrees to indemnify and to hold the Board harmless from any liability or damages the Board may suffer as a result of any and/or all claims, demands, costs, settlements, charges, or judgments against the Board arising from the application and operation of this provision.

ARTICLE 5 – COMPENSATION

 2. An employee may also exercise an option not to bump another employee. This action will limit the right of recall only to the classification from which the employee was displaced.
 3. If the initial employment date is equal with two (2) or more employees, then the Board appointment date shall determine seniority. If seniority dates are still equal among two or more employees, then the official application dates should be used to determine seniority. Any additional ties shall be broken by the toss of a coin in the presence of the Union and affected employees.
 4. Any employee laid off, shall retain recall rights for a period of two (2) years. After two (2) years, displaced employees are not subject to recall.
 5. When a position becomes vacant during the time a recall list exists, it shall be posted and first offered to active employees in accordance with Article 8, Section D. If no active employee is hired for the position, it shall be offered to those on the recall list within the classification, most senior first.
 6. The laid off employee shall provide the Superintendent or designee with his/her current mailing address, telephone number and any other pertinent information. In the event of recall, the employee being recalled shall be notified by Certified Mail to the employee’s last known address, according to the Business Office records, as to the date of his/her expected return to work. Each employee recalled shall be given at least fourteen (14) days notice, excluding legal holidays, to respond to a reinstatement letter. Failure to respond to the Superintendent or designee’s offer of reinstatement within fourteen (14) days shall terminate an employee’s recall right. Copies of recall notices will be sent to the Local Union President for informational purposes only.
 7. Employee(s) bumping into a less hours in their classification shall not be subject to a probationary period. Employee(s) who bump to a lower classification shall

be reduced in pay to that of the new classification in the comparable experience step.

8. In the event of a layoff or reduction occurring as a result of a building closing, affected employees shall have at least sixty (60) days notice to either bid on other vacant positions or to exercise bumping and displacement rights.
9. The Board shall discontinue insurance benefits, if applicable, at the time of the reduction or layoff. Displaced employees shall be offered the opportunity to substitute in their classification. Actively substituting would permit the employee to maintain insurance benefits by paying the total group rate.
10. Vacation eligibility for any employee reduced to a school year position and then returned to an annual position shall gain eligibility for vacation using the same formula as previously negotiated.
11. Written notification shall be given to all affected employees and the Local President two (2) weeks prior to any reduction.

ARTICLE 11 – COLLEGE TUITION

The Board will appropriate \$5,000 each fiscal year of the contract for college credit reimbursement (excluding testing and/or licensure) during the length of this contract. This appropriation will not be carried over so it needs to be used during the fiscal year in question. Fiscal years run from July 1 to June 30.

The Board shall reimburse up to a maximum of \$400 per employee per fiscal year for any Superintendent or designee approved college tuition paid out of pocket by the bargaining unit employee for any job-related college courses taken during the fiscal year. Proof of payment along with proof of completion of class (example: grade) must accompany request for reimbursement. The course must be approved in advance by the Superintendent or his/her designee in order to be eligible for the reimbursement. (See Appendix F for the Tuition Reimbursement Form.)

Payment will be made on a first-come, first-service basis until the appropriation is fully depleted for the fiscal year.
